PLACEMENT CELL:

The Institute is entrusted the responsibility of imparting training in various engineering and non-engineering trades to meet the requirement of the skilled manpower for the industries. The Institute has discharging this responsibility by imparting training in various trades skills. To face the challenges of rapidly advancing technology and to help industry in locating suitable technical manpower. This will be done by getting the manpower demand from industry and trainees are called to appear in interview/test directly with industrialists.

Govt. I.T.I. Jammu has established a Placement cell in the year 2009 under the direct control of the **Principal Er. Mohd. Iqbal Kohli** and under the supervision of Training and Placement Officer **Maj. M. S. Manhas** is in the constant contact with the industries for better placement of trainees
